

# Mimi's House Sponsorship Information

Thank you for considering investing in the lives of the children and the ministry of Catalyst Resources International. The following is a list of frequently asked questions. If you find that you still have additional questions, please feel free to contact us either by phone or email at the following:  
[info@catalystresources.net](mailto:info@catalystresources.net), (863) 223-2768

**How much should I pay each month?**

The suggested amount of a child sponsorship is \$30.00 per month. However, the sponsor may contribute more or less, or may increase the amount at any time. The donation may be sent monthly, quarterly, or annually. Please indicate on the check / separate note or in the comments section on our online giving page, the name of the child you wish to sponsor. All contributions are tax deductible.

**Where should I send my financial support?**

Your check should be sent to our USA based office address or make a donation online at [Tithe.ly](https://www.tithe.ly). All of your contributions are deposited into a Catalyst Resources International account and reported to the leaders of the home in Guatemala. It can then be exchanged into Guatemalan currency to care for the needs of the girls. The support address is:

**Catalyst Resources International  
P.O. Box 967  
West Chester, OH 45071**

Click [HERE](#) to go to our online giving site.

**How long is the commitment?**

We ask that you commit to one year if possible. This allows the child as well as you, the sponsor, to get to know each other. Furthermore, we encourage you to continue sponsoring the child as long as she remains in the program.

**What happens if your child leaves during my commitment of sponsorship?**

In this case, we will promptly notify you that your child is no longer in the program. We will then ask you if you would like to continue to sponsor another child.

**Educational opportunities**

The children all attend private schools ensuring that the students will have the best possible opportunities in the future.

### **Spiritual guidance and growth**

The girls gather regularly not only for fun activities but also for a Bible study. The small setting allows the girls to talk vulnerably and honestly as well as to seek guidance in their lives.

### **Am I the only sponsor for the child that I choose?**

Multiple sponsors are required to fund each child's education and health care. Each student's expenses depends on their desired career choice which determines the school that they'll attend.

### **What happens if I discontinue my sponsorship?**

We understand that financial situations change. Therefore, please let us know if you need to discontinue and we will seek a new sponsor for your child.

### **Can I write the child that I sponsor?**

You may email or send letters and gifts to our Ohio address:

[info@catalystresources.net](mailto:info@catalystresources.net)

P.O. Box 967  
West Chester, OH 45071

If you are interested in becoming a sponsor, please contact us by email:
